

LIMITED ACCESS TO NEZ PERCE COUNTY BRAMMER BUILDING

Nez Perce County continues to monitor impacts and precautions surrounding COVID-19, including recommendations by the CDC and orders issued by Governor Little. Our top priority is the health and safety of our citizens. In order to ensure the safest possible environment, the following measures are effective immediately.

- If you need to conduct business with the Nez Perce County Commissioner's Office, HR, Social Services, Planning & Building, or Emergency Management, please call ahead to schedule an appointment, or handle business by phone or email whenever possible.
